DMC Privacy Policy

ID: DMC MCP 2			
Version	Author(s)	Nature of change	Date of adoption
1.0	Thomas Christensen	Initial version	14/5 2025
1.1	Oliver Haagh	Minor updates	16/5 2025

1 SUMMARY

This document described the Data Privacy Policy for DMC.

2 PROCEDURE

What data is being stored

As part of organisations registered in MCP - names and email addresses of employees.

Where is data stored

Data is stored in the DMC MCP Identity Registry. The Identity Registry and its database are hosted in Microsoft Azure on servers that are only accessible by DMC.

How to be removed

If an organisation requests persons to be deleted (belonging to their organisation) - they will be removed from the Identity Registry. This can be done by the organisation itself through the DMC Management Portal or by request to contact@dmc.international.

Who is responsible

Thomas Christensen of DMC
